- Conduct pre-flight briefings for flight crews, providing necessary information on weather conditions, NOTAMs, and any operational considerations.
- Manage air traffic flow to avoid congestion and delays, ensuring efficient use of airspace and airport facilities.
- Collaborate with air traffic control and other relevant authorities to resolve operational issues promptly.
- Keep abreast of industry developments, regulations, and technology advancements to enhance flight operations.

Qualifications:

- Bachelor's degree in Aviation Management, Aeronautical Science, or a related field.
- Minimum of 3 years of experience in flight operations or a related aviation role.
- Knowledge of aviation regulations and procedures.
- Excellent communication and interpersonal skills.
- Ability to work in a fast-paced and dynamic environment.
- Proficiency in computer applications relevant to flight operations.

Benefits:

- Competitive salary package.
- Health insurance coverage.
- Retirement benefits.
- Training and development opportunities.
- Access to airport facilities and discounts.

How to Apply:

Interested candidates should submit their updated resume, cover letter, and relevant certifications via email to hr@faan.gov.ng with the subject line "Flight Operations Officer Application".
