Ama Zuma Oil Gas Recruitment 2025 | Latest jobs

Description

Ama Zuma Oil Gas is currently seeking a highly motivated and skilled Operations Engineer to join our dynamic team. As an Operations Engineer, you will play a crucial role in ensuring the efficient and safe operation of our oil and gas facilities. This is an exciting opportunity to contribute to the success of a leading energy company in the industry.

Responsibilities

- **Operations Management:** Oversee day-to-day operations of oil and gas facilities, ensuring compliance with safety and environmental regulations.
- **Process Optimization:** Identify and implement improvements to enhance operational efficiency and reduce costs.
- **Maintenance Planning:** Collaborate with maintenance teams to schedule and coordinate equipment maintenance activities to minimize downtime.
- **Emergency Response:** Develop and implement emergency response plans to address unforeseen operational challenges and incidents.
- **Regulatory Compliance:** Stay abreast of industry regulations and ensure adherence to all relevant standards and guidelines.
- **Team Collaboration:** Work closely with cross-functional teams including HSE, engineering, and production to achieve operational goals.
- **Reporting:** Prepare regular reports on operational performance, key metrics, and areas for improvement.

Qualifications

- Bachelor's degree in Mechanical Engineering, Chemical Engineering, or a related field.
- Proven experience in oil and gas operations, with a minimum of 5 years in a similar role.
- Strong knowledge of industry regulations and best practices.
- Excellent problem-solving and analytical skills.
- Effective communication and interpersonal skills.
- Ability to work in a fast-paced and challenging environment.

Job Benefits

- Competitive salary commensurate with experience.
- Health and dental insurance coverage.
- Retirement savings plan.
- Professional development opportunities.
- Employee assistance programs.
- Positive and inclusive work environment.

Contacts

Interested candidates are invited to submit their resumes and cover letters. The application deadline is [01.01.2026]. Only shortlisted candidates will be contacted
