Famfa Oil Recruitment – Jobs at Famfa Oil 2025

Description

Famfa Oil Limited, a leading player in the Nigerian oil and gas industry, is seeking a highly skilled and motivated Senior Petroleum Engineer to join our dynamic team. The successful candidate will play a key role in optimizing production, ensuring reservoir performance, and contributing to the overall success of our operations.

Responsibilities

- Conduct reservoir engineering studies to optimize oil and gas recovery.
- Design and implement enhanced oil recovery (EOR) techniques.
- Perform reservoir simulation studies to predict reservoir behavior and identify opportunities for improvement.
- Evaluate well performance and recommend strategies for production enhancement.
- Collaborate with multidisciplinary teams to integrate geological, geophysical, and engineering data for reservoir characterization.
- Provide technical expertise in drilling, completions, and workovers.
- Monitor and analyze production data to identify trends and areas for improvement.
- Develop and implement reservoir management plans to maximize asset value.
- Prepare technical reports and presentations for management and regulatory authorities.
- Stay abreast of industry trends, technologies, and best practices.

Qualifications

- Bachelor's degree in Petroleum Engineering or a related field; advanced degree preferred.
- Minimum of 8 years of experience in reservoir engineering within the oil and gas industry.
- Proficient in reservoir simulation software (e.g., Eclipse, CMG).
- Strong knowledge of reservoir management, production optimization, and EOR techniques.
- Excellent analytical and problem-solving skills.
- Effective communication and interpersonal skills.
- Ability to work collaboratively in a multidisciplinary team.

Job Benefits

- Competitive salary commensurate with experience.
- Health insurance and wellness programs.
- Retirement savings plans.
- Opportunities for professional development and training.
- Dynamic and inclusive work environment.
- Employee assistance programs.
