Flour Mills Of Nigeria Plc Requirements | Apply Online Form 2025

Description

Flour Mills Of Nigeria Plc is seeking a highly motivated and experienced Production Supervisor to join our dynamic team. The successful candidate will play a crucial role in overseeing and optimizing our production processes, ensuring efficiency, quality, and safety standards are met. If you are a proactive individual with a strong background in production management, we invite you to apply for this exciting opportunity.

Responsibilities

- Supervise and coordinate production activities to meet daily, weekly, and monthly targets.
- Monitor and ensure adherence to quality and safety standards.
- Collaborate with cross-functional teams to enhance production efficiency and resolve issues.
- Train and mentor production staff to maintain a skilled and motivated workforce.
- Implement and enforce standard operating procedures (SOPs) for production processes.
- Conduct regular inspections of equipment and machinery to ensure optimal performance.
- Analyze production data to identify areas for improvement and implement corrective actions.
- Collaborate with maintenance teams to schedule and oversee equipment maintenance.

Qualifications

- Bachelor's degree in Industrial Engineering, Manufacturing, or a related field.
- Proven experience as a Production Supervisor in a manufacturing environment.
- Strong knowledge of production processes, quality control, and safety standards.
- Excellent leadership and communication skills.
- Ability to analyze data and implement process improvements.
- Proficient in Microsoft Office and production management software.
- Familiarity with food processing industry practices is an advantage.

Job Benefits

- Competitive salary and performance-based incentives.
- Comprehensive health and wellness benefits.
- Opportunities for professional development and training.
- Collaborative and inclusive work environment.
- Employee assistance programs.
- Retirement savings plans.
