## Ge Recruitment 2025/2026 Application Form

### Description

We are seeking highly motivated and talented individuals to join our dynamic team as Graduate Engineers in our Recruitment department. This is a unique opportunity for recent graduates who are passionate about human resources, talent acquisition, and are eager to contribute to the growth and success of our organization.

### Responsibilities

- Collaborate with the HR team to identify staffing needs and develop effective recruitment strategies.
- Source and attract candidates through various channels, including online job boards, social media, and networking events.
- Screen resumes, conduct interviews, and assess candidates to ensure a strong fit for the organization.
- Manage the end-to-end recruitment process, from initial contact to onboarding.
- Build and maintain relationships with educational institutions and other talent pipelines.
- Assist in the development and implementation of recruitment policies and procedures.
- Provide regular updates and reports on recruitment activities to the HR management team.

### Qualifications

- Bachelor's degree in Human Resources, Business Administration, or a related field.
- Strong interpersonal and communication skills.
- Ability to work in a fast-paced environment and handle multiple priorities.
- Proven organizational and time management skills.
- Familiarity with recruitment tools and technology.
- Previous internship or relevant work experience is a plus.

### Job Benefits

- Competitive salary commensurate with experience.
- Comprehensive health, dental, and vision insurance plans.
- 401(k) retirement savings plan with employer match.
- Professional development opportunities and ongoing training.
- Collaborative and inclusive work environment.
- Opportunities for career advancement within the organization.

### Contacts

Interested candidates should submit their resume and a cover letter outlining their interest and qualifications for the position. Please send all application materials. In the subject line, please mention "GE Recruitment 2024/2025 Only shortlisted candidates will be contacted for interviews.
