Icsl Requirements | Apply Online Form 2025

Description

We are currently seeking a highly skilled and detail-oriented individual to join our team as an ICSL Requirements Analyst. In this role, you will play a crucial part in ensuring the successful implementation and maintenance of the ICSL (Integrated Customer Service and Logistics) requirements for our organization. The ideal candidate will have a strong background in requirements analysis, exceptional problem-solving abilities, and excellent communication skills.

Responsibilities

- Conduct thorough analysis of ICSL requirements, ensuring accuracy and completeness.
- Collaborate with cross-functional teams to gather and document business needs and specifications.
- Translate business requirements into detailed functional specifications for development and implementation.
- Work closely with stakeholders to validate requirements and ensure alignment with business objectives.
- Facilitate communication between business units and technical teams to bridge the gap between business needs and technical solutions.
- Participate in testing and quality assurance processes to verify that implemented solutions meet specified requirements.
- Keep abreast of industry best practices and emerging technologies related to ICSL to continuously improve processes.

Qualifications

- Bachelor's degree in Business Administration, Information Technology, or related field.
- Proven experience in requirements analysis and documentation.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal abilities.
- Familiarity with logistics and customer service processes is a plus.
- Detail-oriented with a high level of accuracy.
- Ability to work independently and collaboratively in a team environment.
- Proficiency in requirements gathering tools and methodologies.

Job Benefits

- Competitive salary commensurate with experience.
- Comprehensive health, dental, and vision insurance.
- Retirement savings plan with employer contribution.
- Professional development opportunities.
- Flexible work schedule and remote work options.
- Dynamic and inclusive work environment.
