Interswitch Careers 2025/2026 – New Vacancies In Nigeria

Description

Interswitch, a leading technology-driven company in Nigeria, is currently seeking highly skilled and motivated Software Engineers to join our dynamic team. As a Software Engineer at Interswitch, you will play a crucial role in the design, development, testing, and maintenance of innovative software solutions that power electronic transactions and financial services across Nigeria.

Responsibilities

- Collaborate with cross-functional teams to understand project requirements and deliver high-quality software solutions.
- Design and implement software components that align with industry best practices and Interswitch's development standards.
- Conduct thorough testing to ensure the reliability, security, and performance of software applications.
- Troubleshoot, debug, and resolve software defects and issues in a timely manner.
- Stay updated on emerging technologies and contribute to continuous improvement initiatives within the development team.
- Participate in code reviews to ensure code quality and adherence to coding standards.
- Provide technical support and guidance to junior team members.

Qualifications

- Bachelor's degree in Computer Science, Software Engineering, or a related field.
- Proven experience as a Software Engineer, with a strong focus on software development and coding.
- Proficiency in programming languages such as Java, Python, or C#.
- Solid understanding of software development methodologies, design patterns, and best practices.
- Experience with database systems, web services, and API integration.
- Strong problem-solving skills and the ability to work well in a collaborative team environment.
- Excellent communication skills and the ability to articulate technical concepts to non-technical stakeholders.

Job Benefits

- Competitive salary and performance-based incentives.
- Health insurance coverage.
- Professional development opportunities and training programs.
- Flexible work hours and a supportive work environment.
- Opportunities for career growth and advancement.
- Employee wellness programs.
