## Kedco Kano Recruitment 2025/2026 Application Form

### Description

KEDCO is inviting qualified and dynamic individuals to apply for various positions in the upcoming 2023/2024 recruitment cycle. As a key player in the power sector, KEDCO is committed to delivering efficient and reliable electricity distribution services to the people of Kano and beyond. Join our team and contribute to the growth and development of the power industry in Nigeria.

### Responsibilities

- **Position-specific duties:** Clearly outline the responsibilities associated with each advertised position.
- **Ensure reliable power distribution:** Contribute to the development and implementation of strategies to ensure reliable electricity distribution to customers.
- **Customer service excellence:** Interact with customers professionally to address inquiries, resolve complaints, and provide information on power-related matters.
- **Maintenance and operations:** Contribute to the maintenance and operational activities of the electricity distribution infrastructure.
- **Compliance and safety:** Ensure compliance with industry regulations and safety protocols to guarantee the well-being of both employees and customers.
- **Team collaboration:** Work collaboratively with colleagues and other departments to achieve organizational goals.

### Qualifications

- **Educational background:** Minimum educational requirements as specified for each position.
- **Professional experience:** Relevant work experience in the power sector or related industry.
- **Skills:** Proficiency in relevant software/tools, strong communication skills, problem-solving abilities, and a commitment to continuous learning.

### Job Benefits

- Competitive salary packages.
- Health insurance coverage.
- Opportunities for professional development and training.
- A dynamic and inclusive work environment.
- Employee welfare programs.
- Career advancement opportunities.
