Lafarge Cement Recruitment 2025/2026 Online Application Form

Description

Lafarge Cement is currently seeking qualified candidates to join our dynamic team as Plant Operators. As a Plant Operator, you will play a crucial role in the production and maintenance of cement manufacturing processes. This position offers a challenging and rewarding opportunity for individuals with a strong technical background and a commitment to excellence.

Responsibilities:

- Operate and maintain equipment in the cement manufacturing process, ensuring efficient and safe production.
- Monitor and control various aspects of the production line, including raw material handling, grinding, blending, and kiln operations.
- Conduct routine inspections and troubleshoot equipment malfunctions to minimize downtime and ensure continuous production.
- Collaborate with maintenance teams to perform preventive and corrective maintenance on plant machinery.
- Adhere to safety protocols and regulatory standards to create a secure working environment.
- Participate in training programs and stay updated on industry best practices and technological advancements.
- Document production data, equipment readings, and maintenance activities accurately.

Qualifications:

- High School Diploma or equivalent; technical or vocational training in a relevant field is preferred.
- Proven experience as a Plant Operator in the cement or related industry.
- Strong mechanical aptitude and problem-solving skills.
- Knowledge of safety regulations and procedures in an industrial setting.
- Ability to work in a team-oriented environment and communicate effectively.
- Basic computer skills for data entry and equipment monitoring.
- Willingness to work in a physically demanding and sometimes hazardous environment.

Benefits:

- Competitive salary with performance-based bonuses.
- Comprehensive health and wellness benefits package.
- Retirement savings plan.
- Professional development opportunities.
- Employee assistance programs.
- Access to Lafarge's global network and career advancement prospects.
