Lekki Port Recruitment 2025/2026 Form Portal – Apply Now

Description

Lekki Port, a dynamic and rapidly expanding maritime organization, is seeking a qualified and experienced Port Operations Manager to join our team. The successful candidate will play a crucial role in overseeing and optimizing the day-to-day operations of the port, ensuring efficiency, safety, and compliance with relevant regulations. This is a unique opportunity to contribute to the growth and success of one of the leading ports in the region.

Responsibilities

- **Operational Oversight:** Manage and supervise port operations to ensure seamless and efficient handling of vessels, cargo, and related activities.
- **Safety Compliance:** Ensure strict adherence to safety protocols, international standards, and regulatory requirements within the port facility.
- **Team Leadership:** Provide effective leadership to a diverse team, fostering a culture of collaboration, accountability, and continuous improvement.
- **Customer Relations:** Build and maintain strong relationships with shipping companies, port users, and stakeholders to enhance customer satisfaction and attract new business.
- **Resource Management:** Optimize the allocation of resources, including manpower, equipment, and infrastructure, to enhance operational efficiency.
- **Emergency Response:** Develop and implement emergency response plans to address unforeseen challenges and ensure minimal disruptions to port activities.
- **Budget Management:** Collaborate with the finance department to develop and manage budgets for port operations, ensuring cost-effectiveness and financial sustainability.

Qualifications

- Bachelor's degree in Maritime Studies, Logistics, Business Administration, or a related field. Master's degree is a plus.
- Minimum of 8 years of experience in port operations, with at least 3 years in a managerial role.
- In-depth knowledge of international maritime regulations, safety standards, and port management best practices.
- Strong leadership and interpersonal skills with a proven ability to lead and motivate a diverse team.
- Excellent communication and negotiation skills.
- Proven track record of successfully managing port operations and achieving operational excellence.
- Familiarity with relevant technology and systems used in modern port operations.
