## Matrix Energy Group Recruitment – Jobs at Matrix Energy 2025

### Description

Are you passionate about the energy sector and ready to make a significant impact? Matrix Energy Group is currently seeking a dynamic and highly motivated Energy Analyst to join our innovative team. As an Energy Analyst, you will play a crucial role in analyzing and optimizing energy consumption, identifying opportunities for efficiency improvements, and contributing to the development of sustainable energy solutions.

### Responsibilities

- **Energy Consumption Analysis:** Conduct in-depth analyses of energy consumption patterns within various sectors.
- **Data Collection and Interpretation:** Gather and interpret energy-related data to identify trends, inefficiencies, and potential areas for improvement.
- **Efficiency Recommendations:** Propose and implement energy-efficient solutions to enhance overall operational efficiency and reduce environmental impact.
- **Technology Evaluation:** Stay abreast of emerging technologies in the energy sector and assess their viability for integration into existing systems.
- **Report Generation:** Prepare detailed reports and presentations on energy consumption trends, efficiency gains, and recommendations for stakeholders.
- **Collaboration:** Collaborate with cross-functional teams to implement energy-saving initiatives and monitor their impact.

### Qualifications

- **Educational Background:** Bachelor's degree in Energy Management, Environmental Science, Engineering, or a related field. Master's degree is a plus.
- **Analytical Skills:** Strong analytical and quantitative skills with the ability to interpret complex data sets.
- **Knowledge:** Thorough understanding of energy management principles, renewable energy technologies, and sustainability practices.
- **Communication:** Excellent communication skills, both written and verbal, with the ability to convey technical information to non-technical stakeholders.
- **Experience:** Prior experience in energy analysis, sustainability, or a related field is preferred.
- **Software Skills:** Proficiency in using energy management software and tools.

### Job Benefits

- Competitive salary commensurate with experience.
- Health, dental, and vision insurance coverage.
- Retirement savings plan.

### Hiring organization

Matrix Energy Group

### Employment Type

Full-time

### Industry

Oil and Gas

### Job Location
