NAERLS Recruitment 2025/2026 Online

Application Form

Description

We are seeking qualified and motivated individuals to join our team as Research Assistants at the National Agricultural Extension and Research Liaison Services (NAERLS). As a Research Assistant, you will play a crucial role in supporting research activities and contributing to the advancement of agricultural knowledge and practices. This is an exciting opportunity for individuals passionate about agriculture, research, and sustainable development.

Responsibilities:

- Assist in planning, organizing, and conducting research projects under the guidance of senior researchers.
- Collect and analyze data, prepare reports, and contribute to the publication of research findings.
- Collaborate with team members to develop and implement research methodologies.
- Stay updated on relevant literature and advancements in the field of agriculture.
- Contribute to the development of extension materials and participate in outreach programs.
- Maintain accurate records of research activities and ensure compliance with research protocols.
- Assist in the preparation of grant proposals and research funding applications.

Qualifications:

- Bachelor's degree in Agriculture, Agronomy, Agricultural Extension, or related field.
- Strong research and analytical skills with attention to detail.
- Excellent written and verbal communication skills.
- Proficient in the use of relevant computer software and tools.
- Ability to work independently and collaboratively in a team.
- Prior experience in agricultural research or extension is an advantage.

Benefits:

- Competitive salary commensurate with qualifications and experience.
- Opportunities for professional development and training.
- Access to state-of-the-art research facilities and resources.
- Health insurance coverage.
- Collaborative and inclusive work environment.
- Contribution to meaningful research that positively impacts the agricultural sector.
