NASENI Recruitment 2025/2026 New Vacancies In Nigeria

Description

The National Agency for Science and Engineering Infrastructure (NASENI) is currently seeking highly motivated and qualified individuals to fill various positions in its 2023/2024 recruitment drive. As a key player in advancing science, technology, and innovation in Nigeria, NASENI offers exciting opportunities for dynamic professionals to contribute to the nation's growth and development.

Responsibilities

- Carry out cutting-edge research and development activities in alignment with NASENI's objectives.
- Collaborate with interdisciplinary teams to design, implement, and evaluate scientific and engineering projects.
- Contribute to the creation of innovative solutions to address challenges in science and technology.
- Provide technical expertise, guidance, and support to achieve organizational goals.
- Stay abreast of industry trends, emerging technologies, and advancements in relevant fields.
- Foster collaboration with external stakeholders, including academia, industry, and government agencies.

Qualifications

- A minimum of a Bachelor's degree in a relevant field (Master's or Ph.D. preferred).
- Proven experience in scientific research, engineering, or a related field.
- Strong analytical, problem-solving, and critical-thinking skills.
- Excellent communication and teamwork abilities.
- Knowledge of and commitment to ethical research practices.
- Demonstrated ability to manage projects and meet deadlines.

Job Benefits

- Competitive salary and benefits package.
- Opportunities for professional development and career advancement.
- Access to state-of-the-art research facilities and resources.
- Health insurance and other employee wellness programs.
- A collaborative and inclusive work environment.

Contacts

Interested and qualified candidates should submit their applications, including a cover letter and detailed curriculum vitae. Please indicate the position you are applying for in the subject line. The deadline for applications is [10.12.2026].
