## NIFOR Recruitment 2025/2026 Online Application Form

### Description

Nigerian Institute for Oil Palm Research (NIFOR) is currently seeking qualified and motivated individuals for the position of Agricultural Research Scientist. As a key member of our research team, the successful candidate will play a crucial role in advancing sustainable practices and innovations in the oil palm industry.

### Responsibilities:

- Conduct research on various aspects of oil palm cultivation, including breeding, pest control, disease management, and agronomy.
- Design and execute experiments to improve yield, quality, and resilience of oil palm crops.
- Analyze and interpret research data, and prepare comprehensive reports for publication.
- Collaborate with interdisciplinary teams to integrate findings into practical and effective agricultural practices.
- Stay abreast of industry trends, technological advancements, and emerging issues in oil palm cultivation.
- Provide technical assistance and training to farmers and stakeholders in the oil palm sector.
- Contribute to the development and implementation of sustainable agricultural policies.

### Qualifications:

- A minimum of a Master's degree in Agriculture, Plant Science, Agronomy, or a related field. Ph.D. is preferred.
- Proven experience in agricultural research, particularly in oil palm cultivation.
- Strong analytical and research skills, with the ability to design and execute experiments independently.
- Excellent written and verbal communication skills.
- Ability to work collaboratively in a team environment.
- Knowledge of current trends and developments in oil palm cultivation.

### Benefits:

- Competitive salary commensurate with qualifications and experience.
- Health insurance coverage.
- Opportunities for professional development and training.
- Access to state-of-the-art research facilities.
- Collaborative and inclusive work environment.

### How to Apply:

Interested candidates should submit their applications online through the official NIFOR Recruitment Portal. The application should include a cover letter, detailed
