## Npower Agro Recruitment – Open Positions 2025

### Description

We are currently seeking dedicated and passionate individuals to join our Npower Agro team for various positions in the 2024 recruitment drive. As a member of the Npower Agro team, you will play a vital role in contributing to the agricultural sector's growth and development. This is an exciting opportunity to be part of a dynamic team committed to making a positive impact on the agricultural landscape.

### Responsibilities:

- Execute agricultural activities, including planting, harvesting, and post-harvest management.
- Collaborate with agricultural experts to implement modern farming techniques.
- Monitor and manage crop health, ensuring optimal yields and quality.
- Provide support in livestock management and veterinary care.
- Engage with local communities to promote agricultural best practices.
- Participate in training programs to enhance agricultural knowledge and skills.
- Contribute to data collection and reporting on agricultural activities.

### Qualifications:

- Minimum of a Bachelor's degree in Agriculture, Agronomy, Animal Science, or related field.
- Proven experience or internship in agricultural practices is an added advantage.
- Strong knowledge of modern farming techniques and agricultural technologies.
- Excellent communication and interpersonal skills.
- Ability to work collaboratively in a team and independently.
- Passion for agricultural development and community engagement.

### Benefits:

- Competitive salary and benefits package.
- Opportunities for professional development and training.
- Exposure to cutting-edge agricultural technologies and practices.
- Contribution to meaningful projects that impact local communities.
- Collaborative and inclusive work environment.

### How to Apply:

Interested candidates should submit their updated resumes and cover letters highlighting their relevant experience and qualifications. Please indicate the position you are applying for in the subject line. Shortlisted candidates will be contacted for interviews.
