NSDC Recruitment 2025/2026 – Apply Now

Description

We are seeking a dynamic and experienced Program Manager to join the National Skill Development Corporation (NSDC) in our mission to empower the Indian workforce through skill development initiatives. As a Program Manager, you will play a crucial role in designing, implementing, and managing skill development programs that align with the NSDC's objectives.

Responsibilities:

- Program Development:** Lead the development of skill development programs in collaboration with industry partners, educational institutions, and government agencies.
- Project Management:** Oversee the planning, execution, and monitoring of programs to ensure timely and successful implementation.
- Stakeholder Engagement:** Build and maintain strong relationships with industry leaders, government officials, and other key stakeholders to foster collaboration and support for NSDC initiatives.
- Quality Assurance:** Ensure the quality and effectiveness of skill development programs through continuous monitoring, evaluation, and feedback mechanisms.
- Budget Management:** Manage program budgets, allocate resources efficiently, and ensure cost-effectiveness in program delivery.
- Reporting:** Prepare regular reports on program progress, outcomes, and impact for internal and external stakeholders.
- Team Leadership:** Provide leadership and guidance to a team of professionals, fostering a positive and collaborative work environment.

Qualifications:

- Educational Background:** Master's degree in Business Administration, Social Sciences, or a related field. Additional certifications in project management or skill development will be an advantage.
- Experience:** Minimum of 7 years of experience in program management, preferably in the skill development or education sector.

Skills:

- Strong project management and organizational skills.
- Excellent communication and interpersonal skills.
- Ability to collaborate with diverse stakeholders.
- Analytical mindset and problem-solving skills.
- Knowledge:** Deep understanding of the skill development landscape in India, government policies, and industry requirements.

Benefits:

- Competitive salary package
