NTA Recruitment 2025/2026 Online Application Form

Description

National Testing Agency (NTA) invites qualified and motivated individuals to apply for various positions available in the 2024/2025 recruitment cycle. As a vital organization responsible for conducting entrance examinations for higher educational institutions in India, NTA is seeking talented professionals to contribute to its mission of fair and transparent testing processes.

Responsibilities:

- Develop and administer examination content in accordance with NTA guidelines.
- Ensure the integrity and security of examination processes.
- Collaborate with subject matter experts to create reliable and valid test questions.
- Conduct statistical analysis and psychometric evaluations of test items.
- Manage and coordinate logistical aspects of examination centers.
- Provide technical support and training to staff involved in the examination process.
- Maintain up-to-date knowledge of testing industry trends and best practices.
- Contribute to the continuous improvement of testing procedures.

Qualifications:

- Bachelor's/Master's/Ph.D. degree in a relevant field (depending on the position).
- Experience in test development, assessment, or related fields.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Familiarity with testing software and technologies.
- Knowledge of psychometric principles and statistical analysis.

Benefits:

- Competitive salary commensurate with experience and qualifications.
- Health insurance coverage.
- Retirement benefits and pension plans.
- Professional development opportunities.
- Positive and collaborative work environment.
- Opportunities for career advancement within the organization.

How to Apply:

Interested candidates should visit the official NTA website www.nta.ac.in to access the online application form. Ensure all required documents, including a resume and cover letter, are submitted by the specified deadline. Only shortlisted candidates will be contacted for further evaluation.
