Plan International Recruitment Registration Application 2025

Description

As a Recruitment Registration Application Developer at Plan International, you will play a crucial role in enhancing and maintaining our recruitment registration system. You will be responsible for developing, implementing, and maintaining cutting-edge applications that streamline the recruitment process, ensuring a seamless and user-friendly experience for both applicants and hiring managers. Join our dynamic team and contribute to Plan International's mission of promoting children's rights and equality for girls globally.

Responsibilities

- **Application Development:** Design, develop, test, and deploy robust and scalable recruitment registration applications.
- **System Enhancement:** Continuously improve the user interface and functionality of the recruitment system to optimize the application process.
- **Integration:** Collaborate with cross-functional teams to integrate the registration system with existing HR and database systems.
- **User Support:** Provide technical support to users, troubleshoot issues, and ensure a positive user experience.
- **Security:** Implement and maintain security measures to protect sensitive applicant data.
- **Documentation:** Create and maintain comprehensive documentation for the recruitment registration application.
- **Collaboration:** Work closely with HR and IT teams to understand business requirements and align the application with organizational goals.
- **Stay Updated:** Stay informed about industry trends, best practices, and emerging technologies in recruitment and application development.

Qualifications

- Bachelor's degree in Computer Science, Information Technology, or a related field.
- Proven experience in developing web applications, particularly in the recruitment domain.
- Proficiency in programming languages such as Java, Python, or Ruby.
- Experience with front-end technologies such as HTML, CSS, and JavaScript.
- Familiarity with database systems and integration techniques.
- Strong problem-solving skills and attention to detail.
- Excellent communication and collaboration skills.
- Ability to work independently and meet deadlines.

Job Benefits

- Competitive salary commensurate with experience.
- Health, dental, and vision insurance coverage.
- Retirement savings plans.
