Description

Rano Air is seeking qualified candidates to join our dynamic team as Flight Operations Specialists. As a key member of our aviation team, you will play a crucial role in ensuring the smooth and efficient operation of our flights. This position requires attention to detail, excellent communication skills, and a passion for aviation.

Responsibilities

- **Flight Planning:** Collaborate with the operations team to plan and coordinate flight schedules, considering factors such as weather conditions, air traffic, and aircraft performance.
- **Coordination:** Liaise with various departments, including ground operations, maintenance, and cabin crew, to ensure seamless communication and coordination throughout the entire flight process.
- **Regulatory Compliance:** Stay updated on aviation regulations and ensure that all flights adhere to safety and compliance standards set by aviation authorities.
- **Emergency Response:** Assist in developing and implementing emergency response procedures, providing support during critical situations, and ensuring the safety of passengers and crew.
- **Data Analysis:** Analyze flight data to identify areas for improvement in operational efficiency and recommend changes to enhance overall performance.

Qualifications

- Bachelor's degree in Aviation Management, Aeronautical Science, or a related field.
- Previous experience in flight operations or a similar role is highly desirable.
- Strong understanding of aviation regulations and industry standards.
- Excellent organizational and communication skills.
- Proficiency in relevant computer software for flight planning and data analysis.

Job Benefits

- Competitive salary package.
- Health and dental insurance.
- Opportunities for career advancement and professional development.
- Travel benefits for employees and their immediate family.
- Positive and inclusive work environment.
