Samhays Recruitment 2025/2026 – Apply Now

Description

Samhays Recruitment is actively seeking a talented and experienced Senior Software Developer to join our dynamic team in 2024/2025. As a Senior Software Developer, you will play a pivotal role in the design, development, and maintenance of innovative software solutions. The ideal candidate will possess a strong background in software development, a passion for cutting-edge technologies, and the ability to collaborate effectively with cross-functional teams.

Responsibilities:

- Design, develop, and implement high-quality software solutions in alignment with project requirements.
- Collaborate with product managers and fellow developers to understand project goals and requirements.
- Conduct thorough code reviews and provide constructive feedback to team members.
- Troubleshoot, debug, and optimize software applications to ensure optimal performance.
- Stay abreast of industry trends and emerging technologies to enhance the development process.
- Mentor junior developers and contribute to a collaborative and innovative team culture.
- Participate in the full software development lifecycle, from concept to deployment and support.

Qualifications:

- Bachelor's or Master's degree in Computer Science, Software Engineering, or a related field.
- Proven experience as a Senior Software Developer or similar role.
- Proficiency in programming languages such as Java, Python, or C++.
- Strong understanding of software architecture, design patterns, and best practices.
- Experience with database systems (e.g., SQL, NoSQL) and cloud computing platforms.
- Excellent problem-solving and communication skills.
- Ability to work independently and collaboratively in a fast-paced environment.

Benefits:

- Competitive salary commensurate with experience.
- Health, dental, and vision insurance coverage.
- Flexible work hours and remote work options.
- Professional development opportunities and training programs.
- Dynamic and inclusive company culture.
- Employee assistance programs and wellness initiatives.
