Tezza Business Solutions Recruitment 2025/2026 – Latest Job In Nigeria

Description

Tezza Business Solutions is actively seeking a skilled and motivated Software Development Engineer to join our dynamic team. As a key member of our development team, you will be responsible for designing, developing, testing, and maintaining high-performance software solutions that meet the needs of our clients and contribute to the success of our projects.

Responsibilities:

- Collaborate with cross-functional teams to define, design, and implement innovative software solutions.
- Develop and maintain efficient, reusable, and reliable code.
- Participate in code and design reviews to ensure best practices and high-quality code.
- Troubleshoot, debug, and optimize software applications.
- Stay up-to-date with industry trends and incorporate best practices into development processes.
- Contribute to the documentation of software designs, specifications, and test plans.

Qualifications:

- Bachelor's degree in Computer Science, Software Engineering, or a related field.
- Proven experience in software development, with a focus on delivering high-quality, scalable solutions.
- Strong proficiency in programming languages such as Java, Python, or C++.
- Experience with web development frameworks and technologies (e.g., React, Angular, Node.js).
- Familiarity with databases (SQL, NoSQL) and version control systems (Git).
- Excellent problem-solving and analytical skills.
- Strong communication and collaboration skills.

Benefits:

Tezza Business Solutions offers a competitive benefits package, including:

- Health insurance coverage.
- Retirement savings plans.
- Professional development opportunities and training.
- Employee recognition programs.
- Flexible work arrangements.
- Collaborative and inclusive work environment.
