Description

UNOPS (United Nations Office for Project Services) is currently seeking a dynamic and experienced Project Manager to join our team dedicated to sustainable development initiatives. As a Project Manager, you will play a crucial role in leading and implementing projects that contribute to the achievement of the United Nations' Sustainable Development Goals (SDGs). This position offers a unique opportunity to make a meaningful impact on global development while working in a collaborative and diverse environment.

Responsibilities

- **Project Leadership:** Lead the planning, implementation, monitoring, and evaluation of sustainable development projects in collaboration with various stakeholders.
- **Stakeholder Engagement:** Foster effective communication and collaboration with government partners, NGOs, and local communities to ensure the success of projects.
- **Risk Management:** Identify and mitigate project risks, ensuring adherence to UNOPS policies and guidelines.
- **Budget and Resource Management:** Oversee project budgets, allocate resources efficiently, and ensure timely delivery within financial constraints.
- **Quality Assurance:** Maintain high-quality project delivery through adherence to international standards and best practices.
- **Reporting:** Prepare regular project progress reports for internal and external stakeholders, highlighting achievements and challenges.

Qualifications

- **Education:** Bachelor's or Master's degree in International Development, Project Management, Environmental Science, or a related field.
- **Experience:** A minimum of 5 years of relevant project management experience, preferably in sustainable development projects.
- **Skills:** Strong leadership, communication, and problem-solving skills. Familiarity with UN guidelines and procedures is an asset.
- **Languages:** Proficiency in English is required; knowledge of an additional UN language is advantageous.

Job Benefits

- **Competitive Salary:** UNOPS offers a competitive salary package commensurate with experience and education.
- **International Exposure:** Work in a diverse and multicultural environment with opportunities for international travel.
- **Training and Development:** Access to various training programs and professional development opportunities.
- **Health and Well-being:** Comprehensive health insurance and wellness programs to support work-life balance.
